NATIONAL COALITION  
for  
HOMELESS VETERANS

# Partnering with NCHV

Through the National Coalition for Homeless Veterans (NCHV) Annual Conference, we advance our mission to end veteran homelessness by equipping service providers, advocates, and community partners with the knowledge, tools, and connections they need to improve outcomes for veterans nationwide. As the largest national convening dedicated solely to this critical issue, the conference welcomes over 900 participants each year, representing more than 200 organizations committed to serving veterans at risk of or experiencing homelessness.

Throughout the 2026 event, attendees will experience expert-led sessions, dynamic networking opportunities, engaging plenaries, special events, and an exhibitor hall featuring leading organizations and innovators in housing, healthcare, employment, and veteran services.

By joining us as a conference sponsor or exhibitor, you help make this essential gathering a rich and accessible experience for practitioners, policymakers, and nonprofit leaders from across the country. Your support enables NCHV to offer meaningful networking spaces, affordable registration for nonprofit partners, and high-quality programming that highlights emerging trends, research, and best practices in ending veteran homelessness.

As a sponsor, you are supporting NCHV by leveraging our unique position and nationwide network of community-based service providers working to end veteran homelessness. Together, we empower participants to:

- **Explore the latest strategies, tools, and resources with practical applications for advancing veteran services**
- **Build meaningful partnerships and connections with stakeholders from across the public, private, and nonprofit sectors**
- **Engage in community-wide collaboration to ensure veterans have access to stable housing, healthcare, employment, and supportive services**

By partnering with NCHV, your organization elevates its visibility and demonstrates its commitment to veterans and their families. Sponsors and exhibitors play a vital role in helping service providers strengthen their programs and increase their impact nationwide, shaping the future for thousands of veterans each year.

# Reach That Drives Impact

NCHV's Annual Conference and year-round communications platform offer sponsors and exhibitors meaningful national exposure to the organizations and leaders shaping the future of veteran homelessness services. Our reach spans service providers, policymakers, advocates, and system leaders across the country, creating a concentrated audience where ideas, resources, and solutions gain traction.

The conference serves as a central hub for information sharing, professional development, and collaboration, while NCHV's digital channels extend that engagement well beyond the event itself. Together, they provide partners with sustained visibility and access to a highly engaged national network working at the forefront of this issue.

# SUPPORTING VETERANS TOGETHER

We are grateful to the organizations whose past support has helped advance our mission, strengthen programs, and connect the nationwide community of providers and advocates.

At National Equity Fund, we've supported the NCHV conference for over ten years because it's an essential platform for advancing veteran-focused initiatives. Sponsoring this event helps corporations like ours engage with leaders, share resources, and drive change for the betterment of veteran communities.

Deb Burkart, Managing Director - Supportive Housing, National Equity Fund

Exhibiting at the conference allows us to be in front of industry professionals, existing clients, and potential new customers. Exhibiting gives us a unique opportunity to connect with this audience on a personal level, making face-to-face connections that are often more powerful than digital marketing strategies.

Todd Shell, National Director - Supportive Housing, CORT

## Be Seen. Be Engaged. Be Part of the Solution.

The 2026 NCHV Annual Conference is the nation's leading convening focused exclusively on ending veteran homelessness, bringing together more than 900 decision-makers, practitioners, federal partners, and advocates from across the country.

Sponsoring or exhibiting delivers high-impact visibility, direct access to key stakeholders, and meaningful brand alignment with a nationally recognized mission. Partners benefit from in-person engagement, targeted exposure through NCHV's digital channels, and year-round association with a trusted leader in the field.

Join us May 27–29, 2026, at the Washington Hilton in Washington, D.C., and position your organization alongside the leaders shaping policy, practice, and solutions nationwide.
